DATE : 8th November, 2006.

P.C.

. By the present civil application, a payer is made to stay the process of election. The election programme is already set in motion and the same cannot be halted or obstructed at this stage. It is next contended that under some of the resolutions passed in the intervening period new members are admitted and they have been bestowed with the status

of voters. It is claimed that the said persons have no right to cast their votes. The issue in regard to admission of these 183 members is not the subject matter of this writ petition. Hence, cannot be considered. There is no merit in the civil application. The same is rejected.
